

Support Small Businesses with New Grainger Resellers

Hello Faculty and Staff,

The Office of Procurement is excited to announce that we are expanding our options for ordering Grainger items in WolfMart. Starting in October, in addition to ordering directly from Grainger, you can now purchase from three new certified Minority- and Woman-owned Business Enterprises (MWBEs).

This change not only gives you more choices but also helps Stony Brook University meet a significant goal. New York State and SUNY policies require that we direct 30% of our business to certified MWBEs. By choosing these resellers, you play a direct role in supporting our campus's commitment to these small businesses.

New MWBE Resellers Available in WolfMart:

- Edge Electronics, WBE (Bohemia, NY)
 - Minoritech, Inc., MBE (Rochester, NY)
 - Wats International, MBE (Poughkeepsie, NY)
- Intivity, Inc. (MBE) will continue to be a purchasing option as well

If you have any questions, please contact Maria Bracco in the Office of Procurement at Maria.Bracco@StonyBrook.edu.
