# CRYSTAL CIMAGLIA

THE POWER OF LOVE

## ABOUT

**Crystal Cimaglia** is an internationally celebrated vocalist whose extraordinary range, emotional power, and unmistakable tone have earned her recognition as one of the world's premier interpreters of Céline Dion's music. With a voice that soars effortlessly and a stage presence steeped in timeless glamour, Crystal brings both vocal authenticity and deep reverence to this unforgettable tribute.

Originally from Long Island, Crystal has performed on five continents, headlining elite theaters, luxury cruise lines, and private engagements for distinguished audiences around the globe. She is the creator and star of the acclaimed tribute production "Céline in Vegas," which has headlined its own international tour and garnered critical praise for its stunning vocal precision and heartfelt storytelling.

Crystal holds the rare distinction of being the only Céline Dion tribute artist invited to walk the

red carpet at the NYC premiere of *I Am: Céline Dion*. Her vocal mastery has also drawn the attention of legendary producer David Foster, who invited her to sing at his concert right here at the Staller Center after hearing her perform. She has since recorded original music with Céline Dion's longtime guitarist Kaven Girouard, further solidifying her connection to Céline's musical legacy.

Her career began with The Walt Disney Company, performing in major productions across the U.S., Asia, and aboard the Disney Cruise Line, followed by her role as a principal vocalist with Celebrity Cruises. Back in New York, she became a sought-after live performer, headlining at iconic venues including 54 Below, and captivating audiences nationwide with her powerhouse vocals and emotional depth.

Now based between London and New York, Crystal continues to bring world-class tribute performances to international stages while developing original productions and recording her debut album. Tonight, she is honored to celebrate the music, spirit, and enduring legacy of one of the greatest voices of all time.
