VIC DIBITETTO

ABOUT

He prowls the stage like a Tiger. He holds no hostages. He says what you are thinking but are afraid to say out loud. Oh...and he's beyond hysterical!

With four decades of stand-up under his belt, **Vic DiBitetto** began performing in 1981 at Pips Comedy Club in Sheepshead Bay, Brooklyn. Since then, he's solidified himself as "The Donkey of Comedy".

Now a regular cast member on the Amazon Prime TV Series *Gravesend*, Vic co-headlines special event shows with comedy legend Andrew Dice Clay.

His wildly popular social media channels have racked up over 1 billion views worldwide, with over 2 million followers across platforms.

His new album, *Working Class Zero*, is currently on sale at iTunes and Amazon, streaming on Pandora and airing on SiriusXM radio.

Vic has created many viral video characters...Uncle Vic's Garage, Tony Gaga, That Guy, Frankie Pentangelli, Scarface, Rocky, Fool by the Pool and Ticked Off Vic. His Yankee and Giant locker room and press conference satires are now legendary. And his Bread and Milk video is like a

Christmas Carole that comes back on TV, radio and news outlets every time it snows worldwide!
