# STONY BROOK OPERA
## 2024 – 2025 CONCERT SEASON

The Stony Brook Opera features graduate students in voice, many of whom have already established professional singing careers. The three-year repertoire cycle includes one Baroque opera, one contemporary opera and a standard work, all staged or semi-staged.

**Friday, November 15, 2024, 7 PM**
**Sunday, November 17, 2024, 3 PM**
**Chamber Opera**
George Bizet – *Le docteur Miracle*

Free Admission, Recital Hall
Join Stony Brook Opera for their Fall chamber opera production of George Bizet's *Le docteur Miracle*.

**Sunday, February 23, 2025, 3 PM**
**An Afternoon at the Opera**

Free Admission, Recital Hall
Gala program of scenes from beloved and traditional operas with projected titles in English, semi-staged with piano accompaniment. Conducted by Daniel Beckwith and directed by Brenda Harris.

**Saturday, April 26, 2025, 7 PM**
**Sunday, April 27, 2025, 3 PM**
**Main Stage Production**
Massenet – *Le portrait de Manon*

Debussy – *L'enfant prodigue*

STALLER CENTER MAIN STAGE
Tickets: $25 (adults), $20 (seniors), $10 (students)

Stony Brook Opera is thrilled to present an elegant double bill of Massenet's *Le portrait de Manon* and Debussy's *L'enfant prodigue*, sung in French with projected English titles. These two French operas, both premiered in 1884, cast the established French romantic composer Massenet against the then young Debussy's Prix de Rome winning work of *L'enfant prodigue*.

# STONY BROOK
# SYMPHONY ORCHESTRA
## 2024 - 2025 CONCERT SEASON

The Stony Brook Symphony Orchestra is composed of outstanding musicians from all over the world pursuing advanced studies in the graduate school of the Department of Music with renowned performance faculty.

# Ranked Among the Top 1% of Hospitals in the Nation

Out of nearly 4,500 hospitals evaluated for clinical outcomes, Stony Brook University Hospital was ranked by Healthgrades® as one of America's 50 Best Hospitals — now for two years in a row. That places us in the top 1% of all hospitals across the entire country. Our hospital is the only hospital on Long Island to achieve this. As part of this ranking, Stony Brook Southampton Hospital also shares in this recognition. It's a reflection of our commitment to bring the best in care to our patients. And it means that our patients can feel confident, knowing they're receiving such high-quality care.

**All we do is all for you.**

## THE COMPANY

MALEVO is the "South American Sensation" created by director, choreographer, and dancer Matias Jaime.

After being named "Cultural Ambassador of the National Identity of Argentina" and after numerous successes, including events and performances in Las Vegas, Paris, Montreal, China, Mumbai, New York, Moscow, Dubai, London, Qatar, semi-finalists on the hit television show America's Got Talent, choreographies of Malambo for the Latin pop star Ricky Martin, participation in the Cirque du Soleil Gala, a year-long season of performances at Universal Studios Osaka, Japan, shows on Norwegian Cruise line, and Opening Show at the Royal Albert Hall for the "Royal Variety Performance" Gala in London, etc, Malevo is pleased to present an electrifiyng new touring show created for proscenium theaters of performing arts centers and festivals.

## WHAT IS MALAMBO?

At the beginning of the last century, in Argentina, the gauchos or cowboys created a kind of dance they eventually called Malambo. Malambo in the named language of the pampas, means to gallop, in a way, Malambo imitated a galloping horse.

The Malambo is one of the traditional dances of Argentina, of great dextery, virility and energy, that was born around the year 1600 in the Pampas solitudes.

It consists of an individual dance that is characterized by using an almost permanent tapping, that originally had the character of an individual exhibition as a battle and challenge between men, who stomp in turn to music, and later became a spontaneous competition dance between countrymen.

## THE SHOW

Malevo brings live music and virtuoso dance to the contemporary stage in an exciting and electrifiying show, perfect for the whole family.

An experience set to a pulsating rhythm of drums, boleadoras and stomping. The strength and energy of the Malambo, (traditional Argentine folk dance of great virility and dextery), Malevo pushes it beyond its limits with a modern, avant-garde and transgressive approach, without ceasing to be faithful to the cultural foundations of this Argentinian traditional dance.

A visual and sensory experience, awakening the senses and increasing the adrenaline of the audience, Malevo delivers a perfect combination of wild energy with a warrior instinct.

# THE ENCORE LEGACY SOCIETY

A part of the John S. Toll Legacy Society

Join the Encore Legacy Society (part of the John S. Toll Legacy Society) and support the Staller Center with an estate gift to the arts for future generations. Your contribution will help fund cultural programs, support emerging artists, and enrich the community through transformative experiences. It's a lasting legacy that champions the arts and inspires creativity long after your time.

Plus, there is no minimum to be part of it.

*Our goal is to get 20 total members to the Encore Legacy Society this year! Will you join us?*

**Staller Center would like to recognize the following individuals for including Staller Center in their legacy.**

Anonymous
Katherine & Bob Bayer
Dr. Marie Gelato
Mary Anne Hansen
Gloria & Mark Snyder
Erwin P. & Freddie Staller*

**in memoriam*

**Contact friends@stallercenter.com for more information**

# LEAVE A LEGACY

## If you would like future generations to fall in love with our programming, have you considered joining the Staller Center's ENCORE SOCIETY by leaving a legacy gift?

**Join the Encore Society:** If you wish to make a lasting impact, the Staller Center's Encore Society (part of Stony Brook University's John S. Toll Society) offers an opportunity to contribute to the future of the arts. Membership in the Encore Society includes invitations to special events, including an annual legacy luncheon, exclusive communications from campus, a thank-you gift, and the pride in knowing your legacy lives on.

Directing a fixed amount or percentage of your estate to the Staller Center for the Arts Endowment means that your giving will continue forever.

The endowment pays out a fixed percentage of its value each year to support our live programming and invests the rest so it can grow over time.

# Top-Tier Pediatric Care and General Surgery – Now Closer to You

## Stony Brook Children's Hospital's pediatric surgeons are bringing their expertise closer to home with new locations across Suffolk County.

We treat children in all stages, from tiny preemies to growing teens. Our comprehensive general surgical services are wide-ranging—simple hernia repairs and minor skin procedures, complex chest and abdominal lesions, as well as tumor removal. No matter the challenge, we are here every step of the way.

Choose Stony Brook Children's for high-quality pediatric surgical care. We're here for you, ensuring the best outcomes for your little ones.

# The best kind of medicine starts **here** with **you.**

We are here to train the next generation of committed, curious, and skilled physicians, advance our understanding of the origins of human health and disease, and deliver world-class, compassionate healthcare. With 25 basic science and clinical departments, over 1,100 diverse and dedicated faculty members, and state-of-the-art facilities, you'll learn why we are consistently New York's top-ranked public medical school,* excelling in biomedical research, global health, and professional identity formation.

The role of physicians has never been more important, and the demand for them has never been greater. Your dream of caring for others begins with us caring for you.

# BE A PART OF THE INTERPROFESSIONAL HEALTHCARE WORKFORCE

Want a rewarding profession in the healthcare field? Start with an excellent foundation — an education at the School of Health Professions.

We are preparing the next generation of outstanding healthcare professionals, while supporting research and innovative, inclusive teaching that anticipates and responds to the needs of our diverse community and beyond.

Our accredited programs, held at the Stony Brook and Southampton campuses, provide students with an array of experiential opportunities that maximize the connection of theory to practice. We offer baccalaureate, master's and doctoral degrees, and certificate programs in the following areas:

- Applied health informatics
- Athletic training
- Clinical laboratory sciences
- EMT-basic
- Health science
- Medical dosimetry
- Occupational therapy
- Paramedic
- Phlebotomy
- Physical therapy
- Physician assistant
- Radiation therapy
- Radiologic technology
- Respiratory care
- Speech-language pathology

Learn how our innovative teaching methods and interprofessional approach to education will launch your career.

# BE A PART OF THE SOLUTION

## BUILD A COMMUNITY OF PROBLEM SOLVERS WITH THE COLLABORATIVE FOR THE EARTH (C4E)

The C4E builds upon Stony Brook's academic strengths by creating a cross-campus community of passionate problem solvers focused on the major environmental challenges of the 21st century. Our mission is to break down the barriers between scholarly disciplines, between problems and their solutions, and between campus and our community.

### *OUR MISSION*

*Building an interdisciplinary community of action-oriented problem solvers to address the planet's most urgent challenges*
