MACY KATE

ABOUT

Macy Kate made her first global performance at Wembley Stadium and MSG in 2016 with Flo Rida, at just 18 years old.

She developed a knack for music by studying classical piano as a child and listening to the likes of Christina Aguilera, Beyonce, Alicia Keys, and more. After building her YouTube channel to over 1M subscribers, she went from a cover artist to an original songwriter & producer with her debut song *Vibe*.

Signed to Empire Records in 2019, she unveiled her acclaimed *Cry For Help* EP. Its lead single *Cry For Help* impressively had a viral moment on Tik Tok, racking up over 100k remake videos

and 10 million cumulative music streams and garnered praise from tastemakers like Billboard Magazine, MTV, and more.

Macy Kate reaches vocally challenging riffs and tones with natural confidence, providing the robust foundation for her live shows. With a raw performance presence that speaks directly to her hyper-engaged Gen Z fans, she asserts her version of a female point of view in an unapologetically charismatic style. Leading with a female empowerment mantra, she successfully unlocks a one-of-a-kind sound, proving to be center-stage show-stopping.

This September, she plans to release her next single *Proud of Me*, which details her journey to become resilient and whole again after a period of darkness. Later this Fall, Kate will release *New Shift*, an up-tempo bop that describes a new relationship in her life.
