Your Support Makes a Difference

We are so grateful for our Friends of Staller, and we know you recognize the importance of the arts in all of our lives. Your support helps us bring a wide variety of cultural experiences to the Stony Brook University campus and community. Your support makes such a difference and has a significant impact on the quality of programming at the Staller Center, and it gives us the ability to make the arts affordable to all.

All of the artists we have booked for the Fall Season are thrilled to be back performing and are eager to share their artistry with our outstanding audience members and supporters. We are reopening with all CDC and State guidelines in effect, as your health and safety are our top priority.

When tickets for live shows are announced on July 15th, **Friends of Staller at the \$250 level and above** have the opportunity to lock in first-choice seating; a special thank you to our Staller Friends. We can't wait to see you back at the Staller Center for the Arts soon!
